### **CLUB MED WINTER GLUTEN-FREE GETAWAY TURKS & CAICOS ISLANDS (ADULTS ONLY) FEBRUARY 5 ~ 12, 2011**

What did you do during the winter of 2010 - besides chipping the ice and frost off your windshield; shoveling a foot of snow - or more if you lived in the northeast USA; shivering in the cold with your teeth chattering.

How about spending that week in 2011 with your "honey" in the Caribbean - warm sun, tropical breezes, palm trees, powder sand beaches, crystal clear blue seas, a great group of our sun loving members and friends, and all the Gluten-free and that Gluttonian food you and they can eat and drink you can drink? If you don't have a "honey" maybe you'll find one down there waiting for you. Join us for 8 days and 7 nights at this All-Inclusive "Do-As-You-Please" Getaway in the beautiful Club Med Village of Turquoise in the Turks & Caicos, Islands. This is our second visit there and it's one of Bob's favorite beaches and waters.

About 75 minutes flying time southeast of Miami you'll find the third largest coral reef system and the best tropical beaches in the world, making it a premier beach, diving and snorkeling destination and an ideal location for romance, family vacations, ecotourism and adventure seekers. One of the most valuable assets of the islands are the pristine white sandy beaches which are complemented with crystal clear turquoise waters. The islands are relatively flat but vary from sand dunes to lush green vegetation. People on the islands are known as "Belongers" and are known for their friendly spirit.

We will be staying on Providenciales Island, known as Provo. Surrounded by beautiful white sand beaches that were rated "Best Beach" by Conde' Nast magazine. Found on the west side of the islands Provo offers all modern conveniences, including a casino and a Golf Club. It's been described as a tropical paradise. A natural playground. The only children you'll find at the Club Med are us big kids, 18 and older, some itching to explore one of the top 10 dive spots in the world. Turquoise has one of Club Med's most extensive dive facility and has been ranked a PADI Golden Palm Resort for scuba services ranging from introductory scuba lessons to advanced open water programs. With it's tennis courts, bocce ball, deep sea fishing, spa, yoga, water sports, night club and shopping at the boutiques at Turtle Cove, there's something for everyone.

We'll be wined, dined and entertained in casual elegance. At EVERY meal, specially prepared and purchased Gluten-free items will be set before us. Pizza, muffins, cakes, french-fries, fruit pies, cracked conch, conch chowder and much, much more - Gluten-free! From the time your airplane lands on the Island until you takeoff for home - ALL your food, drink, tips and activities are paid for - with the exception of motorized water sports, deep sea fishing, golf and tours.

Pack light - casual beach combing attire is the word. Each evening -after an all you can eat dinner - there's entertainment. Then dance to the tropical rhythms of the Caribbean music at the open-air nightclub. We look forward to sharing this exciting, carefree Club Med Winter Caribbean Gluten-free Getaway with you and yours. Bring your friends and relatives - they don't have to be Gluten-free to enjoy themselves.
