### **CLUB MED MID-WINTER GLUTEN-FREE GETAWAY PUNTA CANA VILLAGE FEBRUARY 11 ~ 18, 2012**

What did you do for Valentine's Day this year - besides chipping the ice and frost off your windshield; shoveling a foot of snow (at least) - or more if you lived in the northeast USA; shivering in the cold with your teeth chattering and wishing you could have been in the Caribbean instead?

How about spending Valentine's Day 2012 with your "honey" in the Caribbean - warm sun, tropical breezes, palm trees, powder sand beaches, crystal clear blue seas, a great group of our sun loving members, families and friends, and all the Gluten-free and that Glutonian food you and they can eat - and drink you can drink? If you don't have a "honey" maybe you'll find one down there waiting for you. Join us for 8 days and 7 nights at this All-Inclusive "Do-As-You- Please" Getaway in the beautiful Club Med Village of Punta Cana. This will be our third visit to this Village and it's one of our member's favorites. And that was before the over \$25 million upgrading just completed last year.

If you're interested in sports make time for tennis, Club Med fitness and the many available water sports activities. Join some our more athletic participants and learn to fly on the trapeze - like the Flying Fogies have in the past. Looking over the ocean, the resort stretches out in a long ribbon of pink sand that holds games and activities waiting to be discovered by adults and children. It also conceals a very popular venue for teenagers, known as "The Ramp", designed especially for them and them alone. The resort has been created in an inventive and colorful way that brings art and culture of the Dominican Republic to life. The exotic charm of its tropical open-air environ host a variety of options - restaurants overlooking the sea, sea side massages or a bar to enjoy a refreshing cocktail are at your fingertips. The rooms are uniquely designed like mini-suites. There is also the option of Luxury Suites available at additional cost.

We'll be wined, dined and entertained in casual elegance. At EVERY meal, specially prepared and purchased Gluten-free items will be set before us. Pizza, muffins, cakes, french-fries, fruit pies, cracked conch, conch chowder and much, much more - Gluten-free! From the time your airplane lands on the Island until you takeoff for home - ALL your food, drink, tips and activities are paid for - with the exception of motorized water sports, deep sea fishing, golf and tours.

Pack light - casual beach combing attire is the word. Each evening -after an all you can eat dinner - there's entertainment. Then dance to the tropical rhythms of the Caribbean music at the open-air nightclub. We look forward to sharing this exciting, carefree Club Med Winter Caribbean Gluten-free Getaway with you and yours. Bring your friends and relatives - they don't have to be Gluten-free to enjoy themselves.
