

TULIPS & WINDMILLS RIVER BOAT CRUISE

April 17-27, 2020

WAITING LIST INFORMATION

One of the most popular river boat cruises in Europe is cruising the Rhine River during the time of the Tulips and Hyacinth blossoming in Keukenhof - also known as the Garden of Europe. We have tried for a few years to arrange a Gluten-free Getaway that would include a prime time visit to Keukenhof - to view the magnificent gardens of over 7 million bulbs planted over 79 acres. Look beyond the fields of flowers to spot several of the 19 UNESCO designated Windmills of Kinderdijk. We visited several years ago and can assure you that the sight and scent of these gardens are something you will never forget.

But due to limited time the viewing is at its best - Mid-April thru Mid-May, we have not been able to make this happen - **UNTIL NOW.**

We have the opportunity to cruise for 10 days from April 17 - 27, 2020 along the Rhine River and the canals of Bruges from Antwerp with ports of call including Ghent, Veere, Rotterdam, Hoorn and Amsterdam - including a visit to the acclaimed Hermitage Amsterdam - Belgian & Dutch treats aboard our Uniworld's River Princess on April 17, 2020.

This cruise will not be available to the general public until January, 2019 and sells out very quickly, but we have arranged to have the opportunity to submit a list of passengers interested in going on the cruise as part of a **Bob & Ruth's** Gluten-free Getaway. This list does not commit you to join us, but it will give you first option to get the cabin of your choice after January 1, 2019.

As of this time we do not require any payment, but as soon as we have all the final detail in January, 2019 we will let you know of any payments due and when.

Below is what we can tell you as of this time:

- * Departing from Antwerp on April 17, 2020 aboard the River Princess.
- * This cruise is All-Inclusive
- * The **approximate** cost will be from \$3,479 for Classic Cabin to \$6,944 for Suite per person double
